In the event of such material breach, NETCOM.cm may provide a written (including email) notice to the Registrant describing the breach. The Registrant in such event then has thirty (30) days to rectify or cure such breach or to provide evidence reasonably satisfactory to NETCOM.cm that there is no breach of this Agreement or NETCOM.cm Policies. See Section 12, below for important limitations on the liability of NETCOM.cm and accredited registrars with regard to good faith acts by such parties under this Section.

10. Disputes Involving Registrants. The Registrant acknowledges that NETCOM.cm cannot, and does not, screen or otherwise review any Application to verify that the Registrant has legal rights to use a particular character string as or in a NETCOM.cm cmTLD Domain name. If an indemnified party is threatened by claims or suit of a third party, the indemnified party may seek written assurances from the Registrant concerning the Registrant's indemnification obligations. Failure to provide such written assurances is a material breach of this Agreement. Failure of the Registrant to fully indemnify the indemnified party in a timely manner may result in termination, suspension, or modification of the domain name registration services and any such termination, suspension, or modification shall in no way prejudice or substitute for an indemnified party's right to seek indemnification by way of litigation or otherwise.

The exclusive venue for such action shall be the Courts of Cameroon. The Registrant waives any right to object to venue or jurisdiction based on inconvenient forum or for any other reason, and the Registrant waives any statutory or other right pursuant to the laws of the jurisdiction in which Registrant resides to have a case relating to this Agreement adjudicated or resolved in that jurisdiction. By way of information and not as a term binding against the NETCOM.cm, disputes not involving the NETCOM.cm as a party may be governed by a governing law and/or forum selection clause contained in a separate agreement, if any, between the Registrant and such other disputant (for example, disputes between and accredited registrar and a Registrant may be governed by a separate agreement, if any, between the Registrant and the accredited registrar); provided, however, that no such separate agreement may modify or waive either NETCOM.cm's or Registrant's consent to exclusive choice of law, jurisdiction, and venue in Cameroon and the courts of Cameroon for disputes in which the NETCOM.cm is or may be a party, as described above.

16. Severability. If any provision of this Agreement is held invalid, unenforceable, or void, the remainder of the Agreement shall not be affected thereby and shall continue in full force and effect as nearly as possible to reflect the original intention of NETCOM.cm and the Registrant in executing this Agreement.

17. No Waiver. The failure of either party at any time to enforce any right or remedy available to it under this Agreement with respect to any breach or failure by the other party shall not be a waiver of such right or remedy with respect to any other breach or failure by the other party.

18. Full Integration. This Agreement, together with the NETCOM.cm Policies expressly incorporated herein by reference, constitutes the entire agreement between the Registrant and NETCOM.cm relating to the NETCOM.cm cmTLD Domain name. No prior or contemporaneous written, oral, and electronic representation, negotiation, or agreement form a part of this Agreement, and this Agreement supersedes all prior written, oral, or electronic agreements between the Registrant and NETCOM.cm relating to the NETCOM.cm cmTLD Domain name. Additional agreements, if any, may be entered into between the Registrant and accredited registrars relating to domain name services in the NETCOM.cm cmTLD provided by such accredited registrars, provided that no such additional agreement may waive, alter, or supersede any provision of this Agreement nor may such an additional agreement impose any obligation upon NETCOM.cm without NETCOM.cm's express written consent. If there is any conflict between such additional agreements and this Agreement, this Agreement shall control.

19. Written Agreement. This Agreement constitutes a written agreement between Registrant and NETCOM.cm even though the Registrant's Application may be dispatched electronically, and even though NETCOM.cm may accept the Application electronically. A printed version of this Agreement, and of any notice given in electronic form related to this Agreement, shall be admissible in judicial or administrative proceedings to the same extent, and subject to the same restrictions, as other business contracts, documents, or records originally generated and maintained in printed form.

20. Assignment. The parties agree that NETCOM.cm is able to assign this Agreement to a third party

without prior written notice to the Registrant.

21.Survival of Obligations. The parties agree that clauses 6, 7, 8, 9, 10, 11, 12, 13, 14, and 15 shall survive the expiry or termination of this Agreement.

THIS AGREEMENT IS EFFECTIVE AND BINDING as of the date of acceptance hereof by NETCOM.cm (i.e., the date of registration).
